"Philippians: the Letter of JOY!"

Tuesday mornings from 10:30 am to 12 noon
In the Fellowship Hall

Philippians is the letter of JOY! Joy permeates its pages from start to finish. But this is not joy forged out of privilege and abundance. It is not the joy of people who have no problems to face.
This is joy in the midst of hard situations.
Paul is writing from prison and facing the real possibility of execution. The Philippian church is facing persecution and false teachers and dissension.
Where's the joy in all of this?
That's what we'll find out together! Bring your Bible as we explore the letter to the Philippians and how to find joy in our situations. No Bible expertise required.
All are welcome.
